# Our Infrastructure

- **MANKOO BRAND 100 Ton H Frame Mechanical power press 1 no**
- **MANKOO BRAND 150 Ton H Frame Mechanical power Press 2 nos**
- **MANKOO BRAND 300 Ton H Frame Mechanical Power Press 1 no**
- **Ring Rolling Machine GAHIR BRAND ID  
Min 50 mm to OD Max 300 mm**
- **ASHOK BRAND CONTINUE FURNACE 500 KG CAPACITY**
- **CENTER LATHE AMBA BRAND 7 FEET 300 MM**
- **PILLAR TYPE DRILLING MACHINE 40 MM CAPACITY**
- **CNC TURNING CENTER – 4 nos**
- **VERTICAL MACHINING CENTER – 2 nos**

# Quality policy

We, at **SREE VAISHNAVI FORGE**,. For our quality services, Our team of quality control inspectors conducts the execution of entire quality mechanisms .We leave no stone unturned to ensure the best quality of our products, and perform thorough and strict quality checking operations, right from the procurement of raw materials to the final dispatch of finished products. Highly sophisticated facilities like Height Master and instruments enable us to perform stringent quality checking operations. All these parameters enable us to maintain internationally standardized quality norms with all our products.

**“TO ACHIEVE TOTAL CUSTOMER SATISFACTION BY QUALITY PRODUCTS THROUGH TEAMWORK AND CONTINUES IMPROVEMENT IN QUALITY MANAGEMAEENT SYSTEM ”**

# Workmanship

**“Total customer satisfaction begins with our employees fully understanding our customer's needs. We want our employees to know our customers.”**

- We work as a team.
- We challenge ourselves to continually improve both our team's performance and our individual performance.
- Active participation determines our success.

This is not a company where you check your brain at the door and simply make the hours .We treat each other with respect and dignity and celebrate each individual's unique talents and skills.

Our vision has always been to offer you improved quality products and expand our business to serve more and more customers with our best Teamwork.
